

Snow Globe

Blessing Offor

Snowflakes comin' down
We're just runnin' round
And nothin' could be better
Your hand just fits in mine
There's magic in these lights
No matter what the weather

Oh, the spirit's everywhere
Can you feel it in the air?

It's like a snow globe
All the cities, like a snow globe
Walkin' with me and it's so cold
Guess my wish is workin'
It's picture perfect
Snow girl
Baby, let me be your snow man
Stay right here in our snow world
You and me
Could it be
I hope so

Snow globe
Snow globe
Snow globe

Man, it's been so long
Seasons come and gone
I miss your love and laughter
Tell me it's enough
You, and me, and us
And happy ever after

Oh, the spirit's everywhere
Can you feel it in the air?

It's like a snow globe
All the cities, like a snow globe
Walkin' with me and it's so cold
Guess my wish is workin'
It's picture perfect
Snow girl
Baby, let me be your snow man
Stay right here in our snow world
You and me
Could it be
I hope so

Snow globe (la la, la la)
Snow globe (la la, la la)
Snow globe (la la, la la)
Guess my wish is workin'
It's picture perfect
Snow globe (la la, la la)
Snow globe (la la, la la)
Snow globe (la la, la la)
You and me

Could it be
I hope so

It's like a snow globe
All the cities, like a snow globe
Walkin' with me and it's so cold
Guess my wish is workin'
It's picture perfect
Snow girl
Baby, let me be your snow man
Stay right here in our snow world
You and me
Could it be
I hope so

Snow globe (la la, la la)
Snow globe (la la, la la)
Snow globe (la la, la la)
Guess my wish is workin'
It's picture perfect
Snow globe (la la, la la)
Snow globe (la la, la la)
Snow globe (la la, la la)
You and me
Could it be
I hope so
