To judge what I've become?

Coming back from the gallows (With blood in my eyes)  
Left me to drown in the shallow (But I'm still alive)  
Couldn't keep me buried under  
You know, they say the higher you rise  
The sharper the knives

Life is like a hurricane  
Surrounding  
But we were never built to break

The storm is ever-changing  
Life is like a hurricane  
Surrounding  
But we were never built to—
