

# I Wouldn't Quit If Everyone Quit

Blessthefall

I felt so anxious, for what we had in store,  
But then you took that away  
For all your dreams and desires  
That I couldn't provide  
I've got my hopes I'm a fighter

I won't answer what you need answered  
I won't say a word (I won't say a word)  
And I won't say a word (I won't say anything)  
Bury me in ecstasy and take the pain away

Oh, you've gotta be kidding me (4x)

I won't answer what you need answered (it's so unfair)  
I won't say a word (I won't say a word)  
And I won't say a word (I won't say anything)  
Bury me in ecstasy and take the pain away

I'm just selfish!

I won't retreat (4x)
