

# Left Outside Alone

Blind Channel

All my life I've been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
It's not okay, I don't feel safe  
I need to pray!

Left broken, empty and in despair  
Wanna breathe, can't find air  
Thought you were sent from up above  
But you and me never had love  
So much more I have to say  
Help me find a way

And I wonder if you know how it really feels  
To be left outside alone when it's cold out here  
Well, maybe you should know just how it feels  
To be left outside alone  
To be left outside alone

I tell you, all my life I've been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
It's not okay, I don't feel safe  
I need to pray

Why do you play me like a game?  
Always someone else to blame  
Careless, helpless little man  
Someday I might understand  
There's not much more to say  
Help me find a way

Still, I wonder if you know how it really feels  
To be left outside alone when it's cold out here  
Well, maybe you should know just how it feels  
To be left outside alone  
To be left outside alone

I tell you, all my life I've been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
It's not okay, I don't feel safe  
I need to pray

Heavenly father...  
Save me...

And I wonder if you know how it really feels  
To be left outside alone when it's cold out here  
Well, maybe you should know just how it feels  
To be left outside alone  
To be left outside alone

All my life I've been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
It's not okay, I don't feel safe

I need to pray
