

# Naysayers

## Blind Channel

We never listen to a word you say  
Yes, you can walk away  
Don't wanna hear what you have to say  
We've got the spirit and we'll be okay

(So walk the fuck away from me!)

Right now, settle down  
Some serious shit's about to go down  
We've got flares, let's point 'em up  
You can walk away or join the club  
We're death and we're disco  
From Moscow to San Francisco  
Get down one, two, three, four  
Get up ready, steady go!

Look at me  
What do you see?  
No regrets for anything  
Look at me  
What do you see?  
Naysayers!

We never listen to a word you say  
Yes, you can walk away  
Don't wanna hear what you have to say  
We've got the spirit and we'll be okay

This is a countdown  
Everybody's gonna bounce  
Put your hands up  
Like there's a gunman in da house  
Ringleaders and cheerleaders  
Join us on our mission  
Naysayers and nonbelievers  
We won't listen!

Look at me  
What do you see?  
No regrets for anything  
Look at you  
What you gotta do?  
Naysayers!

We never listen to a word you say  
Yes, you can walk away  
Don't wanna hear what you have to say  
We've got the spirit and we'll be okay

Right now, settle down

(Naysayers!)

Look at you  
Naysayers!
