

# PHOBIA

## Blind Channel

Let me introduce myself  
I'm the last nail in the coffin of your mental health  
I see you standing on the edge  
And I whisper in your ear to push you over it

You won't ask for help, there's no SOS  
Cause I'm making you believe that I'm your only friend  
Nowhere to run, nowhere to hide  
Cause I'm in the back of your mind

Don't you know me, I'm a phobia  
Put you down on your knees  
I'm like a disease  
All I'm giving you is loneliness  
I'm the anxiety  
Watching you freeze  
So tell me are you scared?  
I am the monster in your head  
So tell me are you scared?  
Put you down on your knees  
I'm like a disease  
A phobia

I'm the heights  
I'm the spiders  
I'm your worst fucking nightmare  
I'm the snakes  
I'm the vipers  
I'm the fear when you're flying

You won't ask for help, there's no SOS  
Cause I'm making you believe that I'm your only friend  
Nowhere to run, nowhere to hide  
Cause I'm in the back of your mind

Don't you know me, I'm a phobia
