

Trigger

Blind Channel

You'll see a curtain rise
Tonight the world's so far!
What a time to be alive!
Don't close your eyes when you pull that trigger!

(Yeah!)

Here we are!
(You wanted me, so here I am!)
We've come this far!
(We're past the point of turning back!)

So lock and load!
Somebody's about to get hurt!
Cold caught my throat
Burn or be burnt!

You feel that curtain rise!
Tonight the world's so far!
What a time to be alive!

I'll take a thousand lives!
I'll die a thousand times!
(So don't close your eyes!)
Don't close your eyes when you pull that trigger!

Bitch!
Yeah!

Curtain call...
This house is like a heart attack
Do you want more?
We want our money back!

Show must go on
We're only here for a while!
So what, bro?
You're having the time of your life!

You'll see a curtain rise!
Tonight the world's so far!
What a time to be alive!

Don't close your eyes when you pull that trigger!

I'll take a thousand lives!
I'd die a thousand times!
(So don't you close your eyes)
Don't close your eyes when you pull that trigger!

Dance, you rebels

You'll see a curtain rise
Tonight the world's so far!
What a time to be alive!
Don't close your eyes when you pull that trigger!

You'll see a curtain rise!
Tonight the world's so far!
What a time to be alive!
(What a time to be alive!)

I'd take a thousand lives!
I'd die a thousand times!
(So don't you close your eyes!)

Don't close your eyes when you pull that trigger!
