

# Under My Thumb

## Blind Faith

Under my thumb's the girl who once had her way  
Under my thumb's a girl who once had her day  
It's down to me, oh the way she does when she's spoken  
to  
It's down to me, the change has come and she's under my  
thumb

Under my thumb's that girl who once had her way  
Under my thumb's a girl who had her day  
It's down to me, oh the difference in the clothes she  
wears  
It's down to me, the change has come and she's under my  
thumb

Under my thumb's a siamese cat of a girl  
Under my thumb, she's the sweetest pet in this world  
It's down to me, oh the difference in the clothes she  
wears  
It's down to me, the change has come and she's under my  
thumb

Under my thumb's a girl who once had her day  
Under my thumb's the girl who once had me down  
It's down to me, oh the way she talks when she's spoken  
to  
It's down to me, the change has come and she's under my  
thumb

The change has come, oh yeah and she's under my thumb  
The change has come, yeah he's come and she's under my  
thumb  
The change has come, oo oh and she's under my thumb  
The change has come and she's under my thumb

Shes the sweetest, hmmm, pet in the world

Its down to me  
The way she talks when shes spoken to  
Down to me, the change has come,  
Shes under my thumb  
Ah, take it easy babe  
Yeah

Its down to me, oh yeah  
The way she talks when shes spoken to  
Down to me, the change has come,  
Shes under my thumb  
Yeah, it feels alright

Under my thumb  
Her eyes are just kept to herself  
Under my thumb, well i  
I can still look at someone else

Its down to me, oh thats what I said  
The way she talks when shes spoken to  
Down to me, the change has come,

Shes under my thumb  
Say, its alright.

Say its all...  
Say its all...

Take it easy babe  
Take it easy babe  
Feels alright  
Take it, take it easy babe
