

# Lionheart

## Blind Guardian

Just let me out of here  
Speak to me  
It all would be easier  
I want to talk to you.  
Who is that?  
Do I hear a whisper?  
Or do I hear a cry?  
Across the brown land  
The stumps of time  
Oh turn the wheel and heal me  
Since moonlight fade  
I'm empty - heal me

I'm in search of the Lionheart  
I am ashamed  
I myself can't make it  
Drown Ulysses  
Drown here in the silence  
Cause down to Hades I've gone  
But I cannot get out

Down below  
I can't free my mind  
Soon I will fade away  
Down below  
I can't free my mind  
Soon I will fade away

"Tic Tac" is the message.  
And the lunatic fears  
He is no more

Speak to me  
It all would be easier  
While I'm passing by  
Who's that?  
Do I hear a whisper?  
Or do I hear a cry?  
Across the brown land  
The ghosts arrive.

Pick up my bones and  
Tell me  
Is this the "Lake of Fire"?  
Hell?  
Please

I'm in search of the Lionheart  
Nobody else  
But the pure can save me.  
Drown Ulysses  
Drown here in the silence  
Cause down to Hades I've gone  
But I cannot get out.

Ruins rule my memories  
I can't recall the signs

Invite the dead  
Then silence struck my mind

Silence is madness  
"Tic Tac Tic Tactic"  
Says the clock

Just let me out of here  
Speak to me  
It all would be easier  
I want to talk to you  
Hear me

Welcome to the sad place  
And hand me what is mine  
I'm the Theban prophet  
The dead and blind

And from sea you'll feel me  
Then you'll breath out gently  
Leave me

I'm in search of the Lionheart...
