

Eagle Eyed Mama

Blind Lemon Jefferson

My woman got eyes like an eagle : and she watching me all
the time
The way she follow me around : Lordy it's going to be a
crime

Watching me all through the day : watching me all through
the night
Keeps her eagle eyes on me : till the good Lord brings
daylight

Mmm : papa Lemon's feeling so blue
Eagle-eyed mama's worrying me : what am I going to do

Dog in my back yard : oh Lordy how he can howl
I'm trying to quit that eagle-eyed woman : man and I
don't know how

My eagle-eyed woman : is got ways I can't explain
If I ever leave her : I must be going insane
