

Southern Woman Blues

Blind Lemon Jefferson

Way down south : you ought to see the women shimmy and
shake

Their new way of wiggle : make a weak man break his neck

You fed me greens : and I mean that they really can cook

Make me a jellyroll : and I mean it's out the book

I was down south : where all my whiskey cook

Just looking at them women : makes me want to get my
gauge stuck

Southern women : man [they're, they sure is] hard to beat

Ain't so easy to get along with : but Lord so sweet

I'm going down south : and I believe I'll take my hook

I'm going to fish in southern women : I declare it's out
the book

Me and my sugar : *something I did hold*

I won't go to fishing : mama I done broke my pole
