

## Struck Sorrow Blues

Blind Lemon Jefferson

I'm going away : now don't you want to go  
I'm going to stop at a place : I haven't never been  
before

I ain't got no watch : I ain't got no \*China spoon\*  
Reason I'm hanging around here : man I'm sticking here  
dry long so

If you got a sweet woman : you better love her while you  
can  
For your heart strike sorrow : when I come back to town  
again

I lie down last night : rolled from side to side  
Say that the blues ain't on me : but things ain't going  
on right

I drink so much whiskey : I travel in my sleep  
For that brown across town : I declare she is worrying me

I believe I'll sing this song : ain't going to sing no  
more  
Going to leave town : and hang crepe on your door
