

Yo Yo Blues

Blind Lemon Jefferson

I want to yo-yo : but I broke my yo-yo string
I believe my baby's going crazy losing her mind : Lord
the woman is going insane

Don't a man feel bad : when he can't yo-yo no more
Broke my yo-yo string last night : and I can't come home
no more

My sugar got ways : partner I can't understand
Leave me all in my bed : go yo-yo with some other man

I love me yo-yo : better than anything I know
I'm feeling funny and foolish : I can't shake that thing
no more
