## **Candy Says**

## **Blind Melon**

Candy says I've come to hate my body And all that it requires in this world Candy says I'd like to know completely What others so discretely talk about

I'm gonna watch the blue birds fly over my shoulder I'm gonna watch them pass me by Maybe when I'm older What do you think I'd see If I could walk away from me

Candy says I hate the quiet places
That cause the smallest taste of what will be
Candy says I hate the big decisions
That cause endless revisions in my mind

I'm gonna watch the blue birds fly over my shoulder
I'm gonna watch them pass me by
Maybe when I'm older
What do you think I'd see
If I could walk away from me
