I Wonder

Blind Melon

```
D5                                G/B          C
Hey I'd like to daze away to a place no one has known
     Dmi
In a state of mind I could call mine
G/B               C
That only I could own
              Dmi
Where I could hum a tune anytime I choose,
            G/B              C
and there's no such thing as time
            Dmi
Where I can feel no pain just calm and sane
G/B          C  D  G
What a place for one to find
C               D                    G
Now you see I'm watching everything I do
             D                    C
and they're watching everything I say
              D        G         D
so they will leave me, leave me be
C  D  G  D  C
Whoa, leave me be
         C           C  D  C
Why am I e--ven here? Oh, and I wonder
D  A  G              A
You leave me wondering

A  G  A  G/B  A  G  A  G  A  G  A  G  A  G  A  G  A  G  A  G

D   C               D  G
Oh, Won't you stop watching me
               D            C                        D   G  D  C
I said they're watching me, watching me, watching me, yeah

Now in my corner I got the ceiling in my eyes
Arms holding up my knees
And rocking back and forth's my life
I didn't mean to feel this way
When I walked into the door, Lord
Then they ripped away my memories
And I can't remember who I was before

D  C  D  C  G        D  D  C
And I only wanted to be sixteen

G    D  D  C  G  D  C  G  D
And free, yeah
D  C  G  D  C  G  D5
And I wonder
