

Church, I'm Fully Saved Today

Blind Willie Johnson

Church I'm fully saved, saved today,
and I'm a witness in.... in every way
ain't no evil, can be tried...

I'm working for my saviour's side (this chorus done 2x)

I am walkin.... in the light,
yes I'm walkin, in the light
Well I'm walkin, in the light
I'm working for my saviour's side
Chorus

He's the wonder, in my soul,
he's the wonder, in my soul,
He's the wonder, in my soul,
I'm working for my saviour's side
Chorus

I know his blood, can make me whole,
yes his blood can, make me whole,
Well his blood can, make me whole,
I'm working for my saviour's side
