

Travelin' Blues

Blind Willie McTell

Mr engineer : let a [poor] man ride the blind
Said I wouldn't mind it fellow : but you know this train
ain't mine

You's a cruel fireman : lowdown engineer
I'm trying to hobo my way : and you leave me standing
here

Get up fellow : ride all around the world
Poor boy : you ain't got no girl

I love you Emery : I love you true
I love you Emerald : tell the world I do
