

## Hooray, It's L.A.

Blindside

You and me we should get out of this town tonight  
Cause everywhere I put my foot down  
Its just another concrete block waiting for me

And its a dark cold night  
My spirit is freezing to ice in this heat

Could you turn around and say  
Hooray, its a beautiful day L.A.  
But now is the time  
To pack your bags and go  
Hooray, its a beautiful day L.A.  
But I think I'll be gone today

I've been traveling at the speed of gasoline  
And stopped by the color of electricity  
We've been trying for too long  
To cover up His fingerprints  
From a distant past

And its a dark cold night now  
My spirit is freezing to ice in this heat

Could you turn around and say  
Hooray, its a beautiful day L.A.  
But now is the time  
To pack your bags and go  
Hooray, its a beautiful day L.A.  
But I think I'll be gone today

And its a damned cold night now  
My spirit is freezing to ice in this heat
