CUT ME OFF

Blink-182

I kinda love the way you hate me
You only call me 'cause I'm crazy
I hate the wait 'cause you made me
Your frozen breath in the air
All your words you never meant them, no
All my sins you can't forgive them
There isn't god in our religion
It's like he's not even there

Broken and pathetic, maybe it's genetic
I'm a landline, not a lifeline (Cut me off)
Call me overrated, I should be sedated
I'm a landline, not a lifeline

Cut me off

You got me feeling so pathetic
Like I don't go with your aesthetic
Don't know how many times I've said this
I think you're better alone (I think you're better alone)
I swear to God you only love me when I'm leaving
And when you tell me that you love me I believe it
I think I'm in too deep
You got me off my face again

Broken and pathetic, maybe it's genetic
I'm a landline, not a lifeline (Cut me off)
Call me overrated, I should be sedated
I'm a landline, not a lifeline

Cut me off
Cut me off

Barely holding on
Why don't you cut me off
Barely holding on
Need you to cut me off
Told you this was wrong
Can't you see I'm gone
Barely holding on
Need you to cut me off!

Broken and pathetic, maybe it's genetic
I'm a landline, not a lifeline (Cut me off)
Call me overrated, I should be sedated
I'm a landline, not a lifeline

Cut me off
Cut me off
