

# Left Alone

Blink-182

Eyes are open words are spoken  
Here's to the sunrise  
Head is loaded cards are folded  
Under the moonlight

Can you remember, you remember the last time  
We woke up sober  
Can you remember, you remember the last night  
You ran me over

Are we halfway gone or halfway there

Left alone  
We're only halfway home  
Sink like stones  
Fall into the unknown

Break me down, I'm not afraid of you  
Pull me under  
Slowly drown, I never wanted to  
Left alone to wonder

Mind is open thoughts are woken  
There goes the sunrise  
Heart is broken love unspoken  
Here comes the moonlight

Can you remember, you remember the last time  
I left hungover  
Can you remember, you remember the last night  
That I stayed over

Are we halfway gone or halfway there

Left alone  
We're only halfway home  
Sink like stones  
Fall into the unknown

Break me down, I'm not afraid of you  
Pull me under  
Slowly drown, I never wanted to  
Left alone to wonder

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh

We're left alone  
Woo oh ohh oh

Left alone  
We're only halfway home  
Sink like stones  
Fall into the unknown

Break me down, I'm not afraid of you  
Pull me under  
Slowly drown, I never wanted to  
Left alone to wonder

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh  
We're left alone  
Woo oh ohh oh

Woo oh ohh  
We're left alone  
Woo oh ohh oh
