

ONE MORE TIME

Blink-182

Strangers, from strangers into brothers
From brothers into strangers once again
We saw the whole world
But I couldn't see the meaning
I couldn't even recognize my friends

Older, but nothing's any different
Right now feels the same, I wonder why
I wish they told us, it shouldn't take a sickness
Or airplanes falling out the sky

Do I have to die to hear you miss me?
Do I have to die to hear you say goodbye?
I don't want to act like there's tomorrow
I don't want to wait to do this one more time
One more time
One more, one more time
One more time

I miss you, took time, but I admit it
It still hurts even after all these years
And I know that next time, ain't always gonna happen
I gotta say, "I love you" while we're here

Do I have to die to hear you miss me?
Do I have to die to hear you say goodbye?
I don't want to act like there's tomorrow
I don't want to wait to do this one more time
One more time
One more, one more time
One more time

One more time (One more time)
One more, one more time (One more time)
One more time
I miss you
