

# Pin the Grenade

Blink-182

Back down, off to ledge you're leaving me  
Right now, it feels like you're bleeding me dry  
Slow down, you took away a piece of me  
I don't wanna let go, don't wanna let go

Chokehold, I'm running out of oxygen  
Tightrope, tonight it's like I'm walking on air  
Black smoke coming from the underground  
I don't wanna let go, don't wanna let

Hey, wait, pin the grenade  
If you don't love me, lie to my face  
Hey, wait, get out of my brain  
If you don't love me, lie to my face

Just another night before I'm lost and all alone  
If you're gonna kill me, baby, please just do it slow  
So hey, wait, pin the grenade  
If you don't love me, lie to my face  
If you don't love me, lie to my face

My God, how could you talk to me like that?  
Let's stop, you changed your mind and caught a ride home  
You dropped a hint that I embarrass you  
I don't wanna let go, don't wanna let go

Midnight, I'm underneath the landslide  
Fast life, I'll leave you on the side of the road  
You cried, "This isn't what you promised me"  
Don't wanna let go, don't wanna let

Hey, wait, pin the grenade  
If you don't love me, lie to my face  
Hey, wait, get out of my brain  
If you don't love me, lie to my face

Just another night before I'm lost and all alone  
If you're gonna kill me, baby, please just do it slow  
So hey, wait, pin the grenade  
If you don't love me, lie to my face

Lie to my face

Just another night before I'm lost and all alone  
If you're gonna kill me, baby, please just do it slow  
Just another night before I'm lost and all alone  
If you're gonna kill me, baby, please just do it slow

Hey, wait, pin the grenade  
If you don't love me, lie to my face  
Hey, wait, get out of my brain  
If you don't love me, lie to my face

Just another night before I'm lost and all alone  
If you're gonna kill me, baby, please just do it slow  
So hey, wait, pin the grenade  
If you don't love me, lie to my face

If you don't love me, lie to my face  
If you don't love me, lie to my face

Hey, wait, pin the grenade  
If you don't love me, lie to my face
