1. Push it out, fake a smile
                  D   A
   Avert disaster, just in time
   I need a drink, cause in a while
   Worthless answer from friends in mind
   It's dumb to ask, cool to ignore
   Girls posess me, but they're never mine
   I made my entrance, avoided hazards
   Checked my engine, I fell behind

   I fell behind

R: She makes me feel like it's raining outside
   And when the storm's gone I'm all torn up inside
   I'm always nervous on, days like this like the prom
   I get too scared to move, cause I'm a fuckin' boy

2. Remember when I was in the grocery store, now's my time
   Lost the words,lost my nerve, lost the girl, left a line
   I would wish upon a star, but that star, it doesn't shine
   So read my book with a boring ending
   A short story of a lonely guy

   I fell behind

R: She makes me feel like...
