

## TURN THIS OFF!

**Blink-182**

If you're too sensitive, well turn this off  
If you're offended by these words then please fuck off  
If you're an asshole with a dick  
Then that's something I can lick  
Then maybe we can call ourselves proctologists

When I first took you out to sushi on a date  
You took me home, I sadly pumped away  
On your stomach, face or ass  
It's your fault that I came fast  
So don't blame it on me, that's a you thing
