

# Feeling Fly

Bliss n Eso

I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!  
I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!

Yo  
One time homeboy let me hit this  
Yeah I got 'em rocking to some pimp shit  
The rings on a king's finger let 'em kiss this  
Fresh like Pinky with a pistol and fish dish

And the rhythm gonna hit 'em like a Mack truck  
Dropping game on you lames like a mack does  
And I'm the man with master plan  
I cock back and lay it on 'em like I'm Ja Morant  
Blam  
God damn man pimpin' ain't easy  
Chillin' in the breeze on a beach out in Fiji  
Believe me  
I'm on point like teepee  
Yeah I got that energy  
That's B.D.

Raft up party with like 8 yachts  
I got my shades on like I'm Ray Charles  
Good God  
You know I got the hits to get they ass on floor  
Like I'm Draymond

I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!  
I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!

I'm fresher than a breeze in California  
Cooler than a Timberwolves toes  
Yeah

Running through the snow  
Cause you know  
That my jams  
Always slam  
Like I'm Ant  
Fucking man  
In Minnesota

Yeah hit the club like a golfer  
Everybody's slipping on the floor cause my drip is ammonia  
Clean  
Getting more ass than sofa  
In your mama's room on a poster

Yeah and all I see are rappers playing catch up  
No brakes I'm a take the cake like fat cunt  
Back up  
Cause you know what I'm about now  
The big bad wolf 'bout to blow the fucking house down

And when I do they won't know who did it  
When they find out they'll cry out  
"No you didn't"  
I'm like "yes I did"  
I'm a rep my shit  
I'm the heart of the party  
Bitch that's where I live

I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!  
I'm a slide in this motherfucker  
Right  
Getting high in this motherfucker  
Right  
Looking fly in this motherfucker  
Feeling like hell yeah  
Hell yeah!
