

# I'll Be Waiting

Bliss

When you are weary, here's what I'll do  
When you can't smile anymore, I'll smile for you  
I'll be the raindrops when you cry, I'll be the sun when you can't shine  
And when the world runs out of time, I'll be there too.

Too many people too blind to see  
Too many roller-coaster rides won't set you free  
So, chase the rainbow, chase the high, become the brightest in the sky,  
but when the World runs out of time, you'll come to me.

And I'll be waiting to catch you when you fall to see you through it all  
Don't turn your face away from me coz I'll be waiting all through Eternity  
I'll be there patiently.... Don't take your love away from me...

When you feel helpless, when you're alone I'll be the light upon the path to guide you Home  
I'll fill the spaces in your heart I'll remind you who you are  
And when you shine just like a star, I'll let you go.

And I'll be waiting to catch you when you fall to see you through it all  
Don't turn your face away from me coz I'll be waiting, all through Eternity,  
I'll be there patiently Don't take your love away from me....

When you are weary; this'll what I'll do  
When you can't smile anymore, I'll smile for you  
I'll be the raindrops when you cry, I'll be the sun when you can't shine  
and When the World runs out of time, I'll be there too  
When the World runs out of time, I'll be there too I'll be there too
