

Won't Let Go

Bliss

Oh, brother, I love ya and I'll be here
When all your friends are gone
Ah, sister, I surely miss you
But at least you know I hear you call
I said, daddy, you make me happy, yeah
You make me smile, ooh yes, you do
I said, mother, oh mother love, oh mother
You're so strong, yes, you are

I won't let go, I won't let go
'Cause I've been lovin' you for much too long
I won't let go, I won't forget you, no
'Cause it's love we've been created for

Ah, sweet friend, you are my freedom
I just wanna let you know, that's all
I said, stranger, don't be afraid of me
'Cause deep down we're all the same
You know, deep down inside
All in all you're my family, you're the sea
Surrounding me, you're the story behind the world
You're the people making love, making history

I won't let go, I won't let go
'Cause I've been lovin' you for much too long
I won't let go, I won't forget you, no
'Cause it's love we've been created for

And I said, brother, come on come on, sister
Let's get lovin', hmm hmm, yeah, yeah
I said brother, come on come on, sister
Let's get lovin', everybody

I won't let go, I won't let go
'Cause I've been lovin' you for much too long
I won't let go, I won't forget you, no
'Cause it's love we've been created for
