All I want is to turn the whole world on,  
Just for a moment, for a moment.  
All I want is to turn the whole world on,  
Just for a moment, for a moment.

It\\\\\\\\\\\\'s high time to invest in self-indulgent mess,  
I\\\\\\\\\\\\\\\\'ll set the world on fire with nothing but a cigarette.  
Cause you can take a photograph and it won\\\\\\\\\\\\\\\\'t keep me her  
e,  
A picture says a thousand words about this love affair.

All I want is to turn the whole world on,  
Just for a moment, for a moment.  
All I want is to turn the whole world on,  
Just for a moment, for a moment.

So what\\\\\\\\\\\\\\\\'ve I got to lose, excess I won\\\\\\\\\\\\\\\\'t refuse,  
I\\\\\\\\\\\\\\\\'ll take the blame for everything except the drug abuse  
.  
You can take a photograph but it won\\\\\\\\\\\\\\\\'t keep me here,  
A picture spreads a thousand lies about this love affair.

All I want is to turn the whole world on,  
Just for a moment, for a moment.  
All I want is to turn the whole world on,  
Just for a moment, for a moment.

The whole wide world is waiting in my shadow,  
For me to make my move, so it can follow suit.  
Well this must be what dreams are made of,  
A canvas soaked in wax and paper, is that alright?

I\\\\\\\\\\\\\\\\'ve taken such a fragile piece of nothing  
And turned it into something, is that alright?  
I wonder if it\\\\\\\\\\\\\\\\'s possible to have a love affair,  
That lasts a life-time, is that alright?

Cause you can take a photograph, but it won\\\\\\\\\\\\\\\\'t keep me he  
re.

All I want is to turn the whole world on,  
Just for a moment, for a moment.  
All I want is to turn the whole world on,  
Just for a moment, for a moment.
