

## Escape

Blitz

Sometimes I need to be me  
Sometimes I need to be free  
I got to escape from the claws  
I got to escape from the laws  
I need, need to be me  
I need, need to be free

Sometimes I need to be me  
Sometimes I got to be free  
I got to escape from the claws  
I got to escape from the laws  
I need, need to be me

I need, need to be free

I need, need to be me  
I need, need to be free

Sometimes I need to be me  
Sometimes I got to be free  
You know, I got to escape from the claws  
And you know, I got to escape from the laws  
I need, need to be me  
I need, need to be free
