

Telecommunication

Blitz

When it's time to tell the story
Time to listen closely
Sending what from distant lands
You always fail to tell me use

Telecommunications
At the heart of the scene

Telecommunications
At the heart of the scene

So give me another station
Where the water falls
These sad days with wires
Take me to the wall

Telecommunications
At the heart of the scene

Telecommunications
At the heart of the scene

(Of distant lands, of distant lands, tell me, talk of movement
of distant lands, movement of distant lands)

Telecommunications
At the heart of the scene

Telecommunications
At the heart of the scene

Telecommunications
At the heart of the scene

Telecommunications
At the heart
