You think that time is on your side
But now you've nowhere left to hide
The past is catching up with you
And now there's nothing you can do with

This time bomb
Seconds to last with this
Time bomb
You'll rock from the blast of this
Time bomb

The scene is set, the time is right You are playing with dynamite In the end you're bound to lose Because you refuse to defuse

You make me a promise and waste my life You try to make friends with a knife You left me for dead and called me a liar You'll get burned from the fire of
