You're a slimy piss-drinkin' whore  
Crazy scream from behind the door  
You just came here tryin' to score  
Then she puked all over the floor

You're a lowly scumbag from Hell  
You ain't got nothin' left to sell  
Tommy put the gun to his head  
I [?] your [?] when it's in red, red

Just because cracker went down  
The rest of us are headin' in town  
Now, did you have to shoot all the kids  
'Cause you couldn't prove it, what gives
