

## So Divine

Blitzen Trapper

Did you ever know you were my waking dream?  
A silent scream  
In a world so mean  
You were my waking dream  
Howling rain against this windowpane  
In a falling aeroplane  
And I'm the only one to blame

'Cause time is measured here in miles  
The space between the sound of every breaking heart  
Love, please wake us from this dream  
The nightmares in-between seem somehow so divine  
So divine

Did you ever know you were my lock and key?  
And I'm the deep blue sea  
An endless mystery  
That washes over me  
Creeping fog  
And I'm a stray old dog  
A walking lightning rod  
Or just a lonely God

'Cause time, we measure it in tears  
In photographic fears and final fantasies  
Love, please wake us from this dream  
The nightmares in-between seem somehow so divine  
So divine, so divine
