## **Stolen Shoes & A Rifle**

## **Blitzen Trapper**

Weather is like feathers on fire Ground's like a sound in my feet I can t stop my shaking I to been traveling so low And the shoes I to been wearing, well they to long and somewhat slow

And a giant waking bird shakes the trees above my head Stolen shoes and a rifle I just can to stay dead Oh the stones won to be lonely here this year it's gone now My lover shells got brothers down in Natchez

They worship at the foot of the keep
My trails been cold for days but I hear them all the same Scattered out like wildfire on the plain

And the giant waking bird shakes the trees above my head Stolen shoes and a rifle I just can to stay dead

Oh the stones won to be lonely here this year it's gone now Weather is like feathers on fire
