

When I'm Dying

Blitzen Trapper

Oh, sometimes I feel like I do when I'm dyin'
Like a train come to rest at the end of the line
(The end of the line)
Well, the stars are all dim, hangin' low in the sky
Well, my woman seems far when I look at her eye
(Look at her eye)

For my love is the moon, she only comes out at night
Yeah, the [?] is thin, aw, she's better inside
Yeah, 'cause sometimes I feel like I do when I'm dyin'
Like a train come to rest at the end of the line, yeah

Sometimes the road is the perilous kind
Feelin' death at my back, comin' up from behind
(Up from behind)
Where the trees are grown bear and the wind is ablaze
(Wind is ablaze)
Piecin' all of your notions, all them things that you crave

Oh, my love is the moon, she only comes out at night
Yeah, the [?] is thin, aw, she's better inside
Yeah, 'cause sometimes I feel like I do when I'm dyin'
Like a train come to rest at the end of the line

Oh, my love is the moon, she only comes out at night
Yeah, the [?] is thin, oh, she's better inside

Oh, sometimes I feel like I do when I'm dyin'
Like a train come to rest at the end of the line, yeah
Ooh, like I do when I'm dyin'
Ooh, like I do when I'm dyin'
Ooh, like I do when I'm dyin'
Ooh, like I do when I'm dyin'
