

Mean

Bloc Party

Sometimes when you are sleeping
I wonder what you're dreaming
I wonder about your eyes
and what they see

Yes, I know you're right
Always must win the fight
Who was I to think I'd have a chance?

What do you see?
When we're alone
Say what you mean
What do you feel feel?
Wen you turn away?
You're being mean.

Sometimes when you are sleeping
I get the strangest feeling
Of all the things I could do
whilst you lay

Gazing at your face
makes me forget my face
Who was I to think I'd stand a chance?
