My mercury's in retrograde

This is not the time, the time to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about whats forgotten  
Try not to worry about whats been missed  
Scars on shins and scars on my knuckles  
Today I woke up in a basketball court  
Jonjo's in Sydney and he aint returning  
Im sitting in soho trying to stay drunk

In any bar in the world  
From Silverlake to Williamsburg  
You could pick another stranger  
And fall in love

My mercury's in retrograde

This is not the time, the tie to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about whats forgotten  
Try not to worry about whats been missed  
Bleeding gums and veins protruding  
You're starting to hate all of your clothes  
Neumayrs in LA and she aint returning  
Im sleeping with people I don't even like

My mercury's in retrograde

When I say you last night  
I wanted to say, run away with me  
Away from the cynics  
That this could be the start of  
Something truly real...  
But all that I could say was "hey"
