

Bandit

BlocBoy JB

I'm a bandit
Walkin with two stacks
Put em together
Make a sandwhich
I aint gotta do the hit my nigga I command it
Once I point my finger at a nigga they do damage
We catchin bodies police can't stand it
We caught 1 body 2 bodies 3 bodies 4 bodies 5 bodies 6 bodies
That's a lot of bodies
Off that draco to that bitch head and take away his noggin
You went to college I got gun knowledge let's see who's the smartest

I been winning since a year old
Put a hole up in his bacc and turn that nigga to a zero
Russell Westbrook in this bitch
Zero dollars in my pocket I say let's go hit a lick
She was freaky in the party told her bitch come succ the dicc
Bitch you know I'm with the shits
I been clutchin on my fans when they tryna take a pic
Check my watch this one right here look like its tryna take a pic
I'm number 1 I can't be number 2 cause I ain't sittin down bitch
I aint tryna take a shit

I'm a Bandit
Walkin with two staccs
Put em together
Make a sandwich
I aint gotta do the hit my nigga I command it
Once I point my finger at a nigga they do damage
We catchin bodies police can't stand it
