BlocBoy JB

Smokin' on dope, gettin' head in the foreign

Trappin' all states, I got insurance
Freaky lil' bitch speakin' Spanish and fluent
I burn her head 'till I know her influence
Hoes stay in line, yeah I love 'em congruent

Okay, these niggas lyin', they ain't movin' no weight
Touch one of my niggas, there's no way
Almost caught a body in the year '08

Stayed true to the Vine, but these niggas too fake
