

## Carlton

BlocBoy JB

She gon eat the dick, grab her neck 'til her collar hurt  
Louis on my feet I paid 5 bands for my collar shirt  
Everything legit, you know I'm about a dollar first  
I'm from USA but I do shows on other side of earth  
Walk up on his set with the tech make a mess  
Hundred on my neck, that's a bet no Baguettes  
One bullet ripping flesh out his neck through his chest  
My draco like to dance it's like Carlton at his best

I don't bargain, don't do arguing, up the carbon make a mess  
Every time I see my target they be dodging at they best  
Act a donkey with this 4-5 I don't play about my shrek (green)  
My diamonds they VVS (bling), fuck you niggas and your whole (team)  
My section is full of hoes (my section is full of hoes)  
Designer now check the clothes (designer now check the clothes)  
We know that our part on the low play it cool we don't act like  
nobody else no  
We got crips on every last door (we got crips on every last doo
