

Do What I Do

BlocBoy JB

Niggas do what I do, niggas say what I say
Niggas hate let them hate, wanna eat bring a plate
Fully loaded AK, ain't no need for debate
Ain't no need for no snakes, bitch it's real over fakes

Since I was young mama told me I'm great
Hop out the Porche like hey mama I'm great
All of my diamonds they come from a pool or a lake
Don't listen what nobody say
Came from the hood yeah I used to be hooping I'm crazy
Now they say I'm one of the greatest
And I keep a clip like I got a movie to make no anime these nig
gas fake
I said no anime these niggas fake
I feel like Annie Mae I eat the cake
Shoot like the NBA I catch the opp on the interstate
I'll take the boy life away
Fuck all ya'll spoofs get a loose and return
Then I penetrate I'm aiming straight to the face
Play duck, duck and goose like a juice hit the cap on ya head
And get money that's all I'ma say

Bitch
Niggas do what I do, niggas say what I say
Niggas hate let them hate, wanna eat bring a plate
Fully loaded AK, ain't no need for debate
Ain't no need for no snakes, bitch it's real over fakes

Niggas do what I do, niggas say what I say
Niggas hate let them hate, wanna eat bring a plate
Fully loaded AK, ain't no need for debate
Ain't no need for no snakes, bitch it's real over fakes
