

Waddupjonjon

Ayy

Fuck your last dude, I'm really past due, that nigga past due
You wanna fuck with a boss? You fuck with him, that means you lose

What I look like followin' the rules? I ain't even do them in school

I ain't never smoke cigs, but I tote sigs 'cause that shit keep me cool

Nigga, how you feel 'bout that?

I'm with the world fallin' down, a fuck nigga still not to have my back

Uh, just not to have my back, just not to have my back

I'm on the front line, need a satellite, tell me where these niggas at

Satellite, yeah

Satellite, yeah

Satellite, yeah

Said I want that nigga gone, I get 'em gone from off a satellite

Freak bitch like to eat dick, get a overbite

Bad bitch, super savage, this that Fendi, right?

Classic, but she get nasty, she keep it minimized

Package, every time you come, you gon' stay overnight

Fuck your last dude, I'm really past due, that nigga past due
You wanna fuck with a boss? You fuck with him, that means you lose

What I look like followin' the rules? I ain't even do them in school

I ain't never smoke cigs, but I tote sigs 'cause that shit keep me cool

Fuck your last dude, I'm really past due, that nigga past due
You wanna fuck with a boss? You fuck with him, that means you lose

What I look like followin' the rules? I ain't even do them in school
