

Hooray

BlocBoy JB

Shawty said she wanna fuck me but it's too late
But she ain't fuck with me when I had the shoes with no shoelace
Fly a bitch up out of Dallas just to mix my Texas Kool-Aid
Then I get up in her mouth until that bitch get her a toothache
Gucci on my shoelace, trappin', servin' two days
Tryna figure out which nigga bitch I'm gon' fuck today
Bitch, I'm the man, hooray, got plenty bands, hooray
Bitch, my life is a movie and you the camera man, Bluray

Hip, hip, hooray, which chop I'ma shoot today?
Before you get this shot, gotta make sure that you have that movie face
She eat the dick, love the taste, say she want it on her face
He dissin', I done caught a case, Murder One, First 48
No piece of pepperoni, but I'm gon' give her the sausage
Sellin' this dope, pimpin' these hoes, feelin' like Christopher Wallace
I came a long way from kickin' these doors and takin' these young niggas' pockets
Mi casa su casa, what's mine is yours, I need a check, no deposit
Man, I hate when ratchet hoes do the most
I just went and copped a Phantom, told my ex to get ghost
Takin' trips up out to Cali', bitch, we smokin' West Coast
Toss your bitch up like an alley to my folks, Z-Bo
What you mean that I'm broke? You're mad 'cause your tire still low
I ain't smoked in three days but my eyes still low
If a nigga broke, no convo
Put your bitch up on 'Woods and I tell her I need the shit pronto
I'm the sugar honey iced tea, lookin' for a bitch like CoCo
Put your bitch in the water, now you playin' Finding Nemo
Fresh as fuck in this Valentino
