**BlocBoy JB**

Let's go [10x]

I'm cripplin I do it in 3 ways  
I knew I was pimping 2 hoes up on 3 way  
Trappin I got the same clothes on for 3 days  
I buy what I want you nigga know I'm 3 paid (he Ricky)  
Hit him in the back with the 12 gage  
Or we gon do that nigga like they did Ray Ray (Ray Ray)  
Got a nigga stealin from his friends  
Ridin wit a drac in a Benz  
Lord forgive me you know that I have sinned  
Thuggin in and out the pin  
My Glock was so lonely I bought him a twin  
And a clip for him just to extend  
But fuck it we ain't gon get into that  
I feel like a defensive end when I get the sack  
I vowed for the gang and I swear I ain't switching back  
I Chris Brown'd ya main took his chain told him give me that  
Rest in peace Simi, wish I could get Simi back  
Run with the pack tryna boost up my cardiac  
I'm Grape Street Crippin Big Raymond started that  
No twistin no purple nurple with the starter caps  
How you a 30 old but your father rap  
After I wipe his nose I'ma run a lap  
Dippin' from 12 dodgin them cells  
I got the bond money I just don't wanna go back to jail

Let's go [repeat]
