How I'm feeling I just might start up a riot ho  
My lil Haitian in here, brought him through the side door  
He be murkin' shit, that lil nigga stand 'bout five four  
We do drive-bys, y'all chicken like Popeye's  
I sell you like Five Guys, I call up my five guys  
And we gon' go hit some shit  
With thirties and fifty clips  
Them bullets won't miss a bit 'cause we don't leave your innocents  
Eight cars pull up, we shootin' and hittin' everything  
AR's, handguns, and Uzis, bitch we got everything  
Play hard, boy your ass stupid just like the mary jane
