

Start Bleeding

BlocBoy JB

Sunny on the beat
Ha, ha, ha, ha
Yeah, yeah, yeah, yeah, yeah
Woah, woah, soft ass nigga

Like a bitch on her period, niggas start bleedin'
I don't fuck with him, period, that's why he start speedin'
Talkin' shit on the internet, that shit will get you wet
He pussy like it's a pet, we got .30's, no Percocets

A lot of bitches call my name, but they don't want nothin'
Broke ass niggas hit me up, they always want somethin'
You wasn't with me in the struggle, but say you respect my hustle
You a bitch and you a buster, did I st-st-st-stutter
Ridin' 'round in the gutter with them heaters and shit
If you my nigga or my brother, we can't beef 'bout a bitch
We get a fee off the bitch, paid a lease off the bitch
Party hard, smoke dope and bring the freak out the bitch
And I'ma pull up in a four-door, make a wish
Don't you see my fuckin' eyes closed? Stupid bitch
I got this .30 filled with hollows and I won't miss
These niggas shootin' with they eyes closed, so what they hit?
An innocent killed somethin', he must lost his wig or somethin'
Call 911, shoot like Lethal Weapon, baby, I don't need Giuseppe
Pull up at 911, at the time of 9:11
My niggas, we runnin', my niggas be gunnin', shootin' shit like
