Don't jump in that sea if you cannot swim (word)
When it's wintertime stomp 'em in Timbs (word)
Shoot me like Allan, I'm above the rim (huh?)
Like a video, you can get trimmed (that's on my mama)
Armadillo, I'm 'bout to roll
Say it's chilly ho, my watch is froze
AR's with telescopes (yeah)
I aim and let it go (word)

What the fuck do you mean?

I think it's time to cop me some Margielas
Just to let you know the money gettin' better
Fucked on your bitch on the first night I met her
I A-B-C-D her like alphabet letter, shooters on schedule
Strapped like Adidas or Tony the Tiger (word)
Can't come on the block 'cause we got the sniper (doon-doon-doon)
Gotta be a shooter with a Ruger than your Mustang (Mustang)
Hit the top of your medula in the Mustang (Mustang)
Bitch I stand tall like a Great Dane (word)
Ten bands stuffed in the wall, that's a great stain (word word word word)
Hundreds I'm up and they faded like aw naw
Better watch what you say, I shoot all y'all
This shit first forty-eight, not no hog call
Got these gloves on my MAC like I'm Paul Wall
