I can't understand
Maybe it's a feeling like I'm dreaming with my eyes open
My heart feels troubled for no reason
And I also experience yearning

Your smile towards me was very pretty
But your heart never made an expression

When I see you show your wounds
But refuse to be healed
There is nothing I can do, it's hard

If time passes, I could pretend all this didn't happen
For a moment I was crazy and thought that could be
It was love, it was love
Looking at it now, I had loved
Words and actions that weren't like myself
My heart that ran wild on it's own

It was love, it was love
There was something more precious than myself

About when will you call my name
Will breaking you off make that fragrance mine
While speaking of loneliness
You brushed off my hand that tried to hug you
Without even the right to be resigned, I'm in pain

If time passes, I could pretend all this didn't happen
For a moment I was crazy and thought that could be
It was love, it was love
Looking at it now, I had loved
Words and actions that weren't like myself
My heart that ran wild on it's own
It was love, it was love
There was something more precious than myself

No longer will I look for for something exceptional
I'll look for the original me, left behind while chasing you
A love done alone must be parted by oneself

If time passes, I could pretend all this didn't happen
For a moment I was crazy and thought that could be
It was love, it was love
Looking at it now, I had loved
Words and actions that weren't like myself
My heart that ran wild on it's own
It was love, it was love
There was something more precious than myself

There was something more precious than myself
