

## **Snowman**

**Blonde Redhead**

Only some only know  
Why you went so far  
So far to write a love song  
That you still hide  
Do you feel alive  
Or do you only fall?  
A fall to remember  
So like a no man that you are  
So like a no man that you are

Only doubts only doubts  
That you fix your thoughts on  
Consider how you lock on  
What you decide and how  
But do you ever know  
What kind of love calls  
So like a no man that you are  
So like a no man that you are

Don't you go, don't you go and get out of line  
Don't you wish to be seen?  
Don't you wish of what you could find?  
Have you seen, have you heard of a love that has no crime

The only time, the only time that you see a lovebird  
Repeated by a mockingbird why you still crying and how?  
Live like a loner  
Live like a no man  
Live like a snowman

So like a no man that you are  
So like a no man that you are

Don't you go, don't you go and get out of line  
Don't you wish to be seen?  
Don't you wish of what you could find?  
Have you seen, have you heard of a love that has no crime
