

In Love with Love

Blondie

In love with love.
In love with a passionate heart.
In love with love.
In love even when we're apart.
I wondered the difference of how it could last.
I heard the celebration of champagne in glass.
No wonder, it's no wonder why I'm in love with love.
In love with a passionate heart.
In love with love.
In love with the form of the art.
We love through the fighting of everyday life, of glass that gets broken and cuts like a knife.
I wonder and I wonder why I'm in love with love.
In love with a passionate heart.
In love with love then on with the delicate march.
Heart of fire.
House of fire.
In love with love.
In love with a passionate heart.
In love with love.
On fire with a passionate heart.
Ablaze with reflection, our hot house is set blazing with a flaming with a fire.
It's so passionately racing with a chaser.
It's so hard to keep my wits about me!
